

# Assignment 3

CSCI 332

W03

25th March 2003

Please type concise but detailed answers and cite external sources for your answers to the following questions:

1. What were the primary issues raised by proponents and opponents of the Clipper chip in the debate over its adoption?
2. Who were the most respected and influential proponents on either side of the debate?
3. How does the Clipper debate relate to Carnivore, Echelon, and the USA PATRIOT Act?
