We have developed a list of ways all of us can participate to assure our campus is safe for living and learning. I expect all of us will honor and respect ourselves and each other by following our "Protect the Pack: Safety Protocols and Wellness"" guidelines in our classroom. As a reminder:

1. You must wear a face mask/covering when the Stearns county transmission level is determined to be 'substantial' or 'high' for four consecutive days. Should this situation occur, a communication about the masking mandate will be communicated to campus using various media. During the mask/face-covering mandate, your mask should be on every time you enter an SCSU building, including entering our classroom. Keep your face covering on during class. Please note, while teaching classes, faculty may remove their face covering if they are able to maintain six-foot distancing.
2. If you are unable to wear a face mask or covering for medical reasons, please contact the [Student Accessibility Services](#) Office to discuss possible accommodations.
3. Wash your hands frequently and use the hand sanitizers available to you.
