Homework 1

Using Microsoft Visio (available as an *app* in your <u>HuskyNet Virtual Lab</u>), replicate the <u>flowchart</u> for Program 6-19 shown on <u>page 10</u> of <u>Appendix D</u>: <u>Introduction to Flowcharting</u>.

Your flowchart should also include the following information:

- Your Name
- "CSCI 201"
- Your section number
- The current semester
- "Homework 1"
- The name of the program (in this case, Program 6-19)
- A brief description of the purpose of the program

Save your finished flowchart to a directory for this class (you created in your <u>HuskyNet file space</u>) as a Visio drawing file (*.vsd) and also save as a PDF file for submission to the appropriate D2L Dropbox.
